

LEE MARLEY

Senior Vice President and Chief Information Officer

Lee Marley joined Presbyterian Healthcare Services in 2011 as the Senior Vice President and Chief Information Officer. She has primary accountability for ensuring the Information Technology needs of Presbyterian and its customers are met with the highest rate of satisfaction and responsiveness. Her responsibilities include all aspects of planning, project execution and Information Technology support, including Telecommunications.

Ms. Marley has over 30 years of leadership experience in the Healthcare Information Technology industry. Prior to joining Presbyterian, she was the Associate Chief Information Officer at Stanford Hospitals and Clinics in Stanford, California. Prior to that, she served as the Chief Information Officer for nine years at Mills-Peninsula Health Services in Burlingame, California. Mills-Peninsula Health Services ranked 19th on the 2010 Leapfrog 65 best hospitals in the country list and Stanford Hospitals and Clinics ranked 20th.

Ms. Marley received her Bachelor of Science degree in Economics with honors from Auburn University in Alabama and her Master of Science degree in Hospital and Health Administration from the University of Alabama.
