

Michael Donahue, MBA, ACMPE

Vice President of Network Development & ACO Activities

As Vice President of Network Development & ACO Activities for Eastern Maine Healthcare Systems (EMHS), Michael Donahue, MBA is responsible for the systems' preparedness for health care reform. He engages EMHS provider groups and other healthcare professionals, regulatory agencies, payers and employers in designing consumer directed services for the future. Mike is the executive chair of Beacon Health, LLC, the organizational model which will support the EMHS' designation as a Pioneer Accountable Care Organization.

Mike received his undergraduate degree in Business Administration from the University of Maine at Orono and his Master's degree in Business Administration from Southern New Hampshire University.

With his past experience in practice management Mike began his career in 2003 at Eastern Maine Medical Center as Administrator of Physician Practices-. In 2008 he became the Vice President of Physician Practices at EMMC. In this role he worked to expand EMMC's physician practices, and grow the medical center's primary and specialty care practices. In February of 2012 he became the Vice President of Network Development & ACO Activities at EMHS bringing with him an array of experience that serves EMHS well in its role as a Pioneer Accountable Care organization.
