

**Michael Goran, MD**

Vice President Actuarial Consulting

Dr. Michael Goran is a Vice President of Actuarial Consulting within OptumInsight. He has more than 30 years experience as a leader in health care consulting, operations and government health care policy. He has also worked on providing strategic advice to leading national academic medical centers, integrated delivery systems, multi-specialty group practices and health maintenance organizations.

Michael works closely with chief executive officers and boards on long-term client relationships. His areas of expertise include competitive assessment and benchmarking, strategic and tactical plans, strategic partnering and affiliations, mergers and acquisitions, growth strategy and expansion plans, organizational restructuring and turnaround plans, negotiation of risk-sharing contracts, and alignment of risks and incentives. He also has knowledge of medical management and care enhancements, chronic disease management programs and remote patient monitoring, E-health, decision support systems and patient connectivity, population-based health planning, federal and state health policy development, quality assessment and improvement, clinical transformation and new service offerings, Pay-for-Performance and shared savings incentive systems.

Michael has been active in the development of clinically integrated networks and integrated delivery systems. He helped establish patient-centered medical homes and accountable care organizations; HMOs, IPAs and physician practice management companies; and medical groups (multi-specialty, single-specialty and primary care).

Prior to working for OptumInsight in 2009, Michael joined BDC Advisors, LLC in 2002 as a senior advisor in health care consulting. He also worked at Cap Gemini Ernst & Young, US, LLC (previously Ernst & Young, LLP) in 2000 as vice president and senior strategic advisor of National Health and Managed Care Consulting Services. Additionally, Michael served as president at August Health Care Services, vice president at Employee Benefit Plans, Inc. and APM, Inc., and executive and medical director at Rockridge Health Care Plan.

Michael received his B.A. from the University of Chicago and his M.D. from University of Illinois, College of Medicine. He interned at Michael Reese Medical Center and performed his residency at Columbia University, New York State Psychiatric Institute. Michael is board certified in psychiatry, and licensed in California, New York and Washington, DC.

Michael has professional affiliations with the American Association of Health Plans (America's Health Insurance Plans); National Health Policy Forum, Washington, D.C.; Medical Administrators Conference American Psychiatric Association; Northern California Psychiatric Society; and University of Virginia Health Systems, Blue Ridge Academic Health Group.
