

Harry Greenspun, M.D.

Senior Advisor, Health Care Transformation & Technology
Deloitte Center for Health Solutions
Deloitte LLP

Bio highlights

Harry Greenspun, M.D., is the Senior Advisor for Health Care Transformation & Technology at the Deloitte Center for Health Solutions (DCHS), part of Deloitte LLP. He has held a diverse range of clinical and executive roles, and is now responsible for helping Deloitte's health care, life sciences, and government clients address key health information technology (IT) and clinical transformation issues.

Prior to joining Deloitte, he served as Chief Medical Officer for Dell Inc., after serving as Chief Medical Officer for Northrop Grumman Corporation. Distinguished co-author of *"Reengineering Health Care: A Manifesto for Radically Rethinking Health Care Delivery,"* Dr. Greenspun is recognized as a leader in the health care industry and has been named one of the *"50 Most Influential Physician Executives in Healthcare"* by *Modern Healthcare*. He serves on the World Economic Forum's Global Agenda Council on Digital Health, and has served on advisory boards for the Healthcare Information and Management Systems Society (HIMSS), Tufts University, George Mason University, and Bloomberg/BNA.

As the Chairman of the HIMSS Government Relations Roundtable and as co-chair of the HIMSS task force responsible for creating the white paper entitled, "Enabling Healthcare Reform Using Information Technology," Dr. Greenspun has made recommendations to the Obama Administration and U.S. Congress on the importance of health care IT investment to the nation.

Dr. Greenspun received his bachelor's degree from Harvard University, his medical degree from the University of Maryland, and completed his residency and fellowship at the Johns Hopkins University Hospital in Anesthesiology and Critical Care Medicine, serving as chief resident. As a cardiac anesthesiologist, he has practiced in major academic medical centers, as well as community hospitals.
