

## Ben Isenhour

Regional CIO and VP of Advanced Analytics and  
Architecture  
Eastern Maine Medical Center

Ben is the Regional CIO for Eastern Maine Medical  
Center and VP of Advanced Analytics and  
Architecture for Eastern Maine Healthcare Systems.

Eastern Maine Healthcare Systems (EMHS), headquartered in Brewer, Maine, is an innovative state-wide integrated healthcare delivery system of over 10,000 employees and 9 hospitals which offers a broad range of health delivery services and providers, including: acute care, medical-surgical hospitals, a free-standing acute psychiatric hospital, primary care and specialty physician practices, long-term care and home health agencies, and ground and air emergency transport services.

Ben has been involved with data warehousing and business intelligence for 17 years, including seven in healthcare. He lives in Hampden, Maine with his wife and three boys, and enjoys all that Maine has to offer both in the summer and winter.
