

**Sharon Rudnick, MSW**  
**Vice President, Outpatient Care Management**  
**Advocate Health Care**

Sharon is responsible for the development of AdvocateCare's outpatient care management program, part of Advocate's accountable care framework. Her focus has been on the most at risk populations and care coordination activities that ensure the highest clinical outcomes, optimizing patient experience while driving down costs in a value based model. She is also responsible for the medical management of full risk/shared savings contracts across Advocate.

Prior to her current role at Advocate; she held various Case and Disease Management responsibilities for the Advocate Medical Group. In addition to those, she had been responsible for Provider and Payer Contracting, Quality Improvement, development of the Medical Home, support for Hospitalist and Geriatrics programs, 24/7 Call center and RN Triage for the medical group. These activities have supported the successful participation in global cost of care contracts for the past 15 years.

Prior to her time on the provider side, she spent 10 years on the Health Plan side at Michael Reese Health Plan and Humana. She was responsible for developing non-acute strategies; Skilled Nursing Facility and Home Care networks, in addition to case and disease management.

Sharon obtained a BS in Social Work, BA in Criminal Justice and an MSW in Social Work from St. Louis University.
